

## We All Have Some Talent,

## Some People Are Just More Creative!

1. **Talent is all about being good at something** - like painting, dancing, singing, and other arts.
2. Did you know **you can have talent in other areas as well**:
  - Making people feel happy
  - Writing letters, poems, stories...
  - Finding constellations
  - Throwing darts
  - Reading stories to children
  - Talking on the telephone
  - Using computers
  - Forecasting the weather
  - Having a good sense of direction
3. Ask your friends and family to help you **figure what you are good at**.
4. **Learn new talents** - get together with your friends and **share your talents**.
5. **We all have something that we are good at** - sometimes it is so obvious that we don't realize it.
6. **Talents can be a stepping stone to a career or job**.
