- Eligibility criteria for the Home Care Program and Core Program.

The Nursing Consultant should have demonstrated skills in the following areas:

- Development of an appropriate family centered care plan.
- Accurate interpretation of medical reports, documents and reference books.
- Accurate interpretation of medical reports to confirm medical eligibility.
- Compliance with University Policy and Rules.
- Compliance with DSCC Rules, Policy and Procedures.
- Effective care coordination.
- Training of staff.
- Assessment of social service needs.
- Compliance with policies and procedures related to the planning, monitoring and evaluation of Core services.

E. POSITION RESPONSIBILITY:

The Nursing Consultant functions independently as a professional staff person within the Regional Office. The RM directly supervises the Nursing Consultant with technical assistance obtained from the Central Administrative Office. Work is periodically reviewed by the RM with feedback provided to the Nursing Consultant. The Nursing Consultant sets daily priorities and deadlines through routine case monitoring and contact with families, providers or other agencies.

F. GUIDELINES:

The Nursing Consultant is required to comply with the University of Illinois Policy and Rules, DSCC Administrative Rules, Policy and Procedures and Core Manual Policies and Procedures.

G. SCOPE OF DUTIES AND RESPONSIBILITIES:

There is a range of complexity depending upon the specific situation on a particular case. The complexity varies because of the medical condition, multiplicity of providers, and dynamics of family system. The care coordination services also need to be in compliance with policy and procedures. This increases the decision making for the consultant as rules, policy or procedures need to be applied consistently to individual family needs. The Consultant needs to be timely in their response to families and service providers. Strict compliance with HIPAA and DSCC confidentiality policies must be maintained with all child specific information.

H. PERSONAL RELATIONSHIPS:

The Nursing Consultant interacts on a daily basis with the families and service providers. The direct interaction with their team members and consultative resources within the Division is also on a daily basis. These contacts may occur by face-to-face, E-mail, phone, or written documents.

I. ENVIRONMENTAL DEMANDS:

The Nursing Consultant is sedentary while working in an office setting. There is some travel required for the position.

The University of Illinois at Chicago Division of Specialized Care for Children is an Equal Opportunity, Affirmative Action employer. Minorities, women, veterans, and individuals with disabilities are encouraged to apply.

The University of Illinois may conduct background checks on all job candidates upon acceptance of a contingent offer. Background checks will be performed in compliance with the Fair Credit Reporting Act.
