The screenshot shows the login page for the DSCC Claim Exchange Web Portal. At the top left is the UIC Specialized Care for Children logo. The main heading is "Log in". Below it are two input fields: "Username:" and "Password:". A "Log in" button is positioned below the password field. To the right of the login form is a red "Important Message" box with text about fee-for-service reimbursement. Below that is a "New Users" section with a "Create your account" button. At the bottom left, there is a "Forgot your password?" link and a "Click here to reset." button. The footer contains the UIC Specialized Care for Children logo, a "Data cu" link, and "Privacy Policy / Terms of Use" links.

#### How safe is your passphrase?

In order to protect your information, it is important to create a safe passphrase. When choosing a passphrase, please remember the following:

- Your passphrase must be at least 8 characters in length.
- Your passphrase is case sensitive.
- Your passphrase must meet or exceed certain safety parameters in order to be accepted.

#### Tips for creating a secure passphrase

- Include symbols, punctuation marks, and numbers.
- Mix capital and lowercase letters.
- Use a short sentence that you can easily remember.

#### Things to avoid

- Don't use a passphrase that contains personal information.
- Don't use words that can be found in the dictionary.
- Don't use keyboard patterns (asdf) or sequential numbers (1234).
- Don't make your passphrase all numbers or all letters.
- Don't use repeating characters (aaaa).

#### Tips for keeping your passphrase secure

- Never tell your passphrase to anyone.
- Never send your passphrase by email.
- Periodically change your passphrase to a new one.
