Workshop for parents/caregivers of children with Autism

Using Visual supports/Make & Take session

Date: Friday, July 28, 2017

Time: 9am-12pm

Please RSVP by July 21st

Location: Developmental Disabilities Family Clinic, 1640 W. Roosevelt Rd, Chicago, IL
Training will be held on the 4th floor, room 448

Limited metered street parking or nearby parking structure is available

Cost: FREE

*Funding for this seminar was so generously provided by the National Greek Orthodox Ladies Philoptochos Society, Inc.

Training description:

This presentation will discuss the use of visual supports for individuals with developmental disabilities, particularly ASD. Examples of different visual supports will be shown and the purpose behind their use will be discussed. Time for making a visual support, such as a schedule, will also be included.

This informational/hands on session is intended for parents/caregivers of children with autism.

For more information and/or to reserve a spot, please contact Jessica Schultz, M.A. @ 312-996-7457 or e-mail: schultzj@uic.edu
