DOES YOUR CHILD HAVE AN IEP?

ATTEND THE PARENT EMPOWERMENT EXPO!

A full-day covering information about transitioning to adult services, transitioning from early intervention, special education rights, and strengthening parent involvement. This event will include a disabilities resource fair with local service providers and community groups. Workshops presented in English and Spanish.

Space is limited and registration required. Register at:
odlssparentexpo.eventbrite.com

The event is FREE and a continental breakfast and lunch will be provided. Food is for registered parents only. **Parking is \$20 for non-museum members.** This event is geared toward families with CPS students, ages 3-21 who are receiving special education supports and services.

NOTE: We recommend, where possible, to make this an adult-only event. This convention style event and workshops are not ideal for children.
