E. POSITION RESPONSIBILITY:

The Medical Social Consultant functions independently as a professional staff person within the Regional Office. The RM directly supervises the Medical Social Consultant with technical assistance obtained from the Central Administrative Office. Work is periodically reviewed by the RM with feedback provided to the Medical Social Consultant. The Medical Social Consultant sets daily priorities and deadlines through routine case monitoring and contact with families, providers or other agencies.

F. GUIDELINES:

The Medical Social Consultant is required to comply with the University of Illinois Policy and Rules, DSCC Administrative Rules, Policy and Procedures, and Home Care Manual Policies and Procedures.

G. SCOPE OF DUTIES AND RESPONSIBILITIES:

There is a range of complexity depending upon the specific situation on a particular case. The complexity varies because of the medical condition, multiplicity of providers, and dynamics of family system. The care coordination services also need to be in compliance with policy and procedures. This increases the decision making for the consultant as rules, policy or procedures need to be applied consistently to individual family needs. The Consultant needs to be timely in their response to families and service providers or services are not delivered to the child and family in an effective or timely fashion. Strict compliance with DSCC confidentiality policy must be maintained with all child specific information.

H. PERSONAL RELATIONSHIPS:

The Medical Social Consultant interacts on a daily basis with the families and service providers. The direct interaction with their team members and consultative resources within the Division is also on a daily basis. These contacts may occur by face-to-face, E-mail, phone, or written documents.
I. ENVIRONMENTAL DEMANDS:

The Medical Social Consultant is sedentary while working in an office setting. There is some travel required for the position.
