INSTITUTE FOR PARENTS OF PRESCHOOL CHILDREN WHO ARE DEAF OR HARD OF HEARING

JUNE 6-11, 2021

What is the Institute?

The 2021 Institute is a one-week virtual program for parents of children (through age 7) who have a significant hearing loss. Parents and caregivers will learn about hearing loss and their child's individual strengths and needs. Participants will also meet other parents of children who are deaf or hard of hearing.

Mission Statement

The Institute provides information and support to families so they can make informed decisions on behalf of their child who is deaf or hard of hearing. The Institute was summarized by one parent as "an incredibly useful week to... prepare my child for a life of learning."

"Very well worth our time.
Like others, I wasn't sure what
to expect, but I can tell you
it exceeded my expectations.
All parents of deaf or
hard-of-hearing
children should
attend."

Who Sponsors the Institute?

The Institute receives support from:

- Department of Human Services (DHS)
 - Division of Rehabilitation Services (DRS)
