

Resources for Relative Caregivers

Are you the relative caregiver of a child?

Do you need resources to help you in your care-giving?

With information from our trained staff and expert community partners, you can learn more about financial assistance, childcare assistance, respite care, legal assistance, health/mental health care, support groups, and free community events.

Everyone who registers will receive helpful packets with resource contacts and information on childcare, healthcare, legal resources, supply resources, and more. Your registration also includes access to live and recorded webinar meetings.

Registration includes:

- Free learning supplies for both remote and in-school students
- Opportunity to select needed clothing options for children from infancy to high school from our No Cost Caregiver Closet
- Enter drawings for free gift baskets, new toys, and kitchen items
