

RESOURCES

- **Illinois Department of Human Services (IDHS):**

- Provides state residents with streamlined access to integrated services, especially those who are striving to move from welfare to work and economic independence. IDHS also serves those who face multiple challenges to self-sufficiency.

- Main Website: www.dhs.state.il.us/page.aspx?item=27893

- **Division of Rehabilitation Services (DRS):**

- DHS's Division of Rehabilitation Services is the state's lead agency serving individuals with disabilities. DRS works in partnership with people with disabilities and their families to assist them in making informed choices to achieve full community participation through employment, education, and independent living opportunities.

- **Grupo SALTO:**

- To meet the void that many Latino families experienced, Latino parents of children with autism spectrum disorders (ASDs) and Hispanic program staff from the UIC Developmental Disabilities Family Clinics (DDFC) founded Grupo SALTO (Sociedad de Autismo Latina Trabajando con Optimismo) in 2003. Over the years, Grupo SALTO has continued to grow to meet the everchanging needs and interests of families and children with ASD. Grupo SALTO aims to provide support for Latino families who have children with ASD by providing culturally and linguistically appropriate training, education, and services.
