

The Sky's the Limit STEM Camp

FREE

About: Free STEM (Science, Technology, Engineering, & Mathematics) camp, open to middle and high school aged autistic youth

Goals: (1) Broaden science opportunities for autistic youth by supporting inquisitiveness in an inclusive learning environment;
(2) Provide nature-based, hands-on learning opportunities;
(3) Encourage the pursuit of STEM degrees and careers.

Time: Fridays 1-4PM: June 10, 17, 24; July 1, 8, 15, 22, 29

Location: Welty Environmental Center, 1201 Big Hill Court, Beloit, WI

Required Registration by May 27, 2022:
