

COMMUNITY SERVICES FAIR FOR PERSONS WITH DISABILITIES AND THEIR FAMILIES

TIME AND LOCATION

This event will take place at Emily G. Johns School on March 4th, 2023 - 9am-noon

WHAT IS THIS FOR?

This event is a great opportunity for persons with disabilities and their families to meet representatives from local agencies that provide needed services! These services include, but are not limited to: housing, independent living options, post secondary education, recreation opportunities, guardianship declarations, and how to get government benefits such as SSI.

WHY COME?

In Illinois, people with disabilities are entitled to needed services through the school system. At the age of 22, when a person with a disability ages out of the school system, their families become fully responsible for finding and enrolling them into needed services. This event can help persons with disabilities and their families start planning for their future!

SPEAKERS:

At 10 am Behavior Specialist Lauren Cline will present on handling tough behaviors.

At 11 am Attorney Chuck Rose will present on guardianship, special needs trusts and ABLE accounts.
