

# Huskies **BELONG**

**ARE YOU INTERESTED IN CAREERS IN SCIENCE, TECHNOLOGY, ENGINEERING, ART OR MATH (STEAM)?**

**DO YOU WANT TO MAKE FRIENDS WITH STUDENTS FROM SCHOOLS ACROSS ILLINOIS?**

**DO YOU PLAN TO ATTEND COLLEGE AFTER GRADUATION?**

## You belong here!

### Who's Eligible?

High school students graduating in 2024 who have a documented disability impacting their education, who intend to go to college and are interested in STEAM careers.

### How Does Huskies BELONG Work?

Join us for a **FREE week-long summer camp on the campus of Northern Illinois University.**

- Make friends who share your interest in STEAM.
- Engage in hands-on projects, college planning, and recreational activities.
- Test out the college experience, staying and dining in campus residence halls.
- Meet college faculty and STEAM professionals.

**Then stay connected throughout the 2023-24 school year.**

- Experience a family fun day at NIU STEM Fest.
- Get support with your college application process.
- Keep in touch with your new friends as you prepare for your transition to college.

*This program is funded 100% by the Illinois Community College Board.*

### STEAM Careers

STEAM fields need diverse, curious learners ready to tackle the problems around them. STEAM careers include:

**STEAM careers include:**

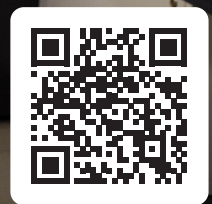

- Software Developer
- Computer and Information Systems Manager
- Health Care Provider
- Biomedical Engineer
- Web Designer
- Cybersecurity Analyst
- Environmental Engineer
