

Transition Planning: "Equipping Parents with Information"

Parent Training Event

Monday, May 1, 2023 | 6:00 pm – 7:30 pm

For special education students, transition from high school to adulthood is sometimes called "falling off the cliff." Do you know how to plan your child's transition, so they soar into their best life?

Transition planning begins at age 14-1/2. It's never too early to think about your child's future! **Elementary, middle school, and high school parents** — Join Equip for Equality attorney Jessica Range to learn about your students' rights and options for transition.
