Hello Nursing Agency Partners,

Earlier today, DSCC sent out communication pertaining to HB2080. Unfortunately, we had some misinformation which contributed to a message with incorrect updates.

This morning's message was delivered prematurely and in error as budget negotiations are still ongoing.

We apologize for the misinformation and will provide additional information when we hear more from our partners at the Illinois Department of Healthcare and Family Services.

Sincerely,

A handwritten signature in cursive script that reads "Molly Hofmann".
