Family to Family Health Information Center**

Illinois Life Span

**June 2023**

Family to Family Health  
Information Center

# Siblings

In this presentation, participants will gain insight into the issues and challenges of a family member (sibling) attempting to take care of an adult family member with a disability while other members of the household adjust to the changes, such as careers, retirement, immigration & citizenship, and senior health care systems.

**Presenter Ms. Gissel Esobedo, LEND**  
**Leadership Education in Neurodevelopmental and related Disabilities (LEND) graduate**
