Advocate Children's Hospital Sibshops, Fall 2023

Support Group for Brothers and Sisters of Children with Special Needs (Ages 7 – 11)

SIBSENSATIONS: support group for kids who have siblings with disabilities or chronic conditions. Kids talk to kids about what it's like having a brother or sister with different abilities. They learn how to handle hard situations in a fun and friendly setting. We do this through games, activities, crafts, and kid-friendly discussion.

Our support group is now hybrid. Some sessions will be on Zoom, and a few will be on site, in-person during the school year.
