

Division of Specialized Care for Children

Provider Notice

DATE: 12/11/24

Dear Nursing Agency/Waiver Service Vendor:

Thank you for your continued service to those enrolled with the Home Care Program, operated on behalf of the Illinois Department of Healthcare and Family Services (HFS). **This notice is being sent as a reminder that all Division of Specialized Care for Children (DSCC) nursing agencies and waiver service vendors must remain enrolled in IMPACT by completing revalidation regularly (every five years based on initial approval date with revised deadlines during the public health emergency) to avoid lapses in payment.**

Illinois Medicaid requires all nursing agencies and environmental modification providers to remain fully enrolled in the IMPACT system. Without this, providers cannot receive payment for providing Home Care services per federal requirements. **You must be identified as a DSCC provider in IMPACT and update your enrollment at revalidation time to receive payment for services.**

Monitor your emails for notice of upcoming revalidation deadlines. If your organization has multiple service locations, you must revalidate the enrollment of each service location and will receive notification for each service location separately. You can also review your next revalidation date by logging into your IMPACT Ilogin account (found on the [HFS IMPACT webpage](#)). Review the basic information page to confirm your revalidation due date.

Additional details can be found on the [DSCC Revalidation Tip Sheet](#) or at the resources below:

- Visit the [HFS IMPACT Revalidation webpage](#) to answer common questions and view a video tutorial to help complete revalidation.
- Other helpful resources: [Revalidation FAQs](#), the [IMPACT Revalidation Job Aid](#), and the [Stakeholder Toolkit](#).
- Contact the HFS IMPACT Helpdesk: IMPACT.Help@illinois.gov or (877) 782-5565

This notice will also be posted to DSCC's website: <https://dsc. uic.edu/home-care-provider-notices/>.

We thank you for your continued service to our shared participants. If you have any questions, please contact your DSCC nursing agency liaison or the DSCC IMPACT Specialist.
