

Health Insurance Education Series

Join the Division of Specialized Care for Children (DSCC) for a series of webinars on important health insurance topics. These free trainings can help you better navigate your health insurance coverage and benefits. DSCC team members and other presenters will explain a different topic each month.

Each presentation will be in English. A Spanish interpretation line will be available during each session.

The webinars are open to anyone who is interested. If you have questions, email dsc@uic.edu or call (800) 322-3722.

Social Security Benefits

March 12, 6 p.m. – [link to register](#)

This training will help you understand Social Security benefits. Presenters from the Social Security Administration will share information about Supplemental Security Income and Social Security Disability Insurance. You will learn who can get benefits and how to apply for benefits. It will also cover what the Social Security program benefits are and how to keep your benefits.

Medicaid Denials

April 9, 6 p.m. – [link to register](#)

This training will help you understand Medicaid denials. It will review the common reasons that Medicaid denies services, such as equipment. The presentation will also share tips on how to avoid denials and what to do if Medicaid denies your services. This training will be for those with regular Medicaid and those enrolled in a managed care plan (MCO).

Transitioning Health Insurance Benefits to Adulthood

May 14, 6 p.m. – [link to register](#)

This training will help you understand how to transition health insurance benefits to adulthood. It will go over different insurance types, including Medicaid, Medicare and private insurance. This presentation will help you know what to start thinking about for health insurance benefits as you or your child nears adulthood.
