PROVIDER NOTICE

Date: May 23, 2025

Dear Children's Community-Based Healthcare Centers,

We want to inform our Home Care providers about an update to the temporary delay in claims processing. We have concluded the temporary delay following the migration to the new claims system and are resuming payments.

The new system has generated the first payment file, which we sent to the comptroller's office on May 21, 2025. The Division of Specialized Care for Children (DSCC) received the notification yesterday, May 22, 2025, that we are on the release schedule. Following the payment release schedule, providers should expect to see payments/status as "issued" on the comptroller's site within a couple of days and payment by the end of next week. Those who receive their payments as paper checks could take a bit longer to receive.

You can access the comptroller's site at <https://illinoiscomptroller.gov/vendor-services/vendor-payments-new>.

Important Notes on Access

For users who registered for the Provider Portal testing site on or before April 30, 2025, you can continue to log in as usual at <https://go.uic.edu/DSCC-ProviderPortal>.

Resources for the New Provider Portal

To ensure a smooth transition to the new Provider Portal, we've prepared guides and videos to help you navigate the new system. They are posted on our website's Provider Portal page at <https://dsc.uic.edu/provider-portal>.
