

Planning for the Future:

Supported Decision-Making and Guardianship

A free webinar for families of youth with special healthcare needs transitioning to adulthood.

June 8, 6 to 7 p.m. | [Register on Zoom](#)

When a young person turns 18, families often face important decisions about independence, legal rights and support.

Join Consuelo Puente, retired attorney and parent advocate, for a helpful presentation about guardianship and supported decision-making.

Learn:

The difference between guardianship and supported decision-making

When each option may be appropriate

How supported decision-making can foster independence and safety

The basic steps to establish guardianship in Illinois

This webinar will help families better understand their options and plan for the future with confidence.

Continuing education credits are available for social workers.
